

Neutral detergent

F 720 BLUE

Liquid, ecological detergent for all delicate materials

AREA OF APPLICATION:

- For use in commercial warewashers.
- Suitable for dishes made of glass, plastic, porcelain, stainless steel as well as cutlery and utensils.
- Additionally suitable for dishes made of silver and aluminium.
- Removes dried-on food remnants effectively.

Due to its special composition, F 720 BLUE is neither corrosive nor irritant. As a result, the air quality in the wash up area is much better than with conventional alkaline detergents, a high degree of safety is ensured for kitchen staff, and waste water can be disposed of easily.

For perfect wash results, we recommend using the specially developed Winterhalter system, which includes the corresponding ware-washer, chemistry and water treatment.

DOSAGE:

With automatic dosing equipment, depending on the degree of soiling and the water quality. In the UC V02 and PT V02, the basic setting can be easily adjusted via the chemical database for coordinated dosing. This detergent belongs to the detergent group DT02.

To get a perfect wash result, the detergent dosing should be set by the Winterhalter customer service. Dosing devices controlled by conductivity may not be applied when using F 720 BLUE.

Water quality	Dosage in ml/l	°dH	[µS/cm]	ppm CaCO ₃
Osmosis	1.8 – 2.4	0 – 3	0 – 90	0 – 53
Soft	2.5 – 4.0	4 – 8	91 – 240	54 – 142
Medium	–	9 – 14	241 – 420	143 – 249
Hard	–	> 14	> 420	> 249

AL	AG	P04	CL			DT02

PRODUCT ADVANTAGES:

- Odor-neutral, highly concentrated formulation
- Waste water neutral and environmentally friendly
- Very good cleaning performance
- Very good material protection

INGREDIENTS:

Non-ionic surfactants, phosphonates, Methylisothiazolinone, 1,2-Benzisothiazol-3(2H)-on.

It contains neither chlorine nor phosphates.

Winterhalter products are totally free of NTA and EDTA.

Neutral detergent

F 720 BLUE

DELIVERY SIZES:

10 l	container
20 l	container

TECHNICAL DATA:

Colour	yellowish
Odour	product-specific
pH value	9.5 – 10.7
Shelf life	12 months
Storage conditions	cool, dark, frost-free, up to 25 °C
Density	1.08 g/cm ³

DISPOSAL OF EMPTY PACKAGING:

- Completely emptied packaging is recyclable and can be disposed of by the end user in accordance with local regulations.
- Information on disposal of product residues can be found in the corresponding material safety data sheet.

IMPORTANT:

- Product is not intended for the general public. For commercial use only!
- Colour variations of the product are caused by raw materials and storage, but do not affect quality.
- Storage and transport of the product are only permitted when being in an upright position and in the original packaging. Do not expose to direct sunlight and protect from freezing.
- Never mix with other products and do not transfer the product into other containers, such as bottles, which are not intended for this purpose!
- Follow the operating instructions of the respective Winterhalter warewasher!
- Containers, pipes and dosing equipment should be rinsed with fresh water before changing products.

- A funnel (60 005 163) is available for the safe and exact filling of the integrated storage tanks in Winterhalter UC-models. To avoid confusion, the detergent may only be filled in tanks with a whitish flap colour.
- The detergent can be used in conjunction with all customary rinse aids for commercial warewashers and is suitable for use in the food sector.
- To support the self-cleaning programme of the warewasher, the Winterhalter A 15 MC cleaning tab is recommended.
- To ensure the durability and reliability of the warewasher, all filters should be cleaned at end of operation. To avoid corrosion, leave the machine slightly open so the interior can dry.
- For cleaning and maintaining the stainless steel coverings of the warewasher it is recommended to use Winterhalter A 162 stainless steel polish.
- The washing parameters should be kept in accordance with the DIN guidelines (DIN 10510 to 10512 and DIN 10522). Information of Working Party of Commercial Dishwashing should be kept in mind. In context refer to: www.akggs.de
- Product's material safety data sheet, technical data sheet and operating instructions are available on www.winterhalter.com
