

COMBICLEAN BOOSTED 3 IN 1 ALKALINE CLEANSER

Triple action alkaline cleanser, specific for cleaning the cooking chamber. Thanks to its special 3 in 1 formulation, Cleaning - Rinsing - Descaling, it ensures complete removal of food residues and makes the cooking chamber shiny, without leaving streaks; it also protects and ensures long life of seals.

AUTOMATIC CLEANING SYSTEM - LCS / VCS (for countertop models)

The COMBICLEAN BOOSTED ready-to-use, liquid detergent is slotted into the special hidden compartment, with pull-down closure.
